Assessment 3: Lesson Planning

Assessment 3: Lesson Planning is used to assess candidate’s planning proficiency using 17 criteria. The criteria are assessed using the following scale:

Excelling (51-46) = knowledge, skills and attitudes demonstrates superior level of confidence.

Proficient (45-41) = knowledge, skills and attitudes demonstrates a high level of confidence.

Acceptable (40-36) = knowledge, skills and attitudes demonstrate a satisfactory level of confidence.

Not acceptable (35-) = knowledge, skills and attitudes do not reach the standards or levels of proficiency.

Assessment 3: Lesson Planning criteria aligned to Standard 1.

The aggregated data demonstrates that all the candidates for the 2011-2012 year met the criteria at the excelling or proficient level. The post evaluations evidence an increase in content and pedagogical knowledge.
